

Living Generously Stewardship 2024 Pledge Card

The giving of our time, talent, and wealth is part of Christian discipleship that strengthens and opens us to grow in our relationship with God. There is a direct correlation between where someone is along the way in their relationship with God and their journey of stewardship. Our goal should be to always be growing as givers. Jesus teaches us a foundation of generosity, so that we can experience a lifetime of the blessings and joy of being a giver. When we share, we not only help, we also inspire others to do the same. Are you ready to help spread God's love and mission by giving your gift?
